Pets 636

Animal poetry 821.08

You can find more titles by using the library catalogue: search star.

The easiest method is to type “Animals” into the simple search box. You could search for your favourite animal !

Then click on the class heading to sort your results by classification number. Then look at the books filed at 823 . Remember to turn the pages.

Use flagging to note the titles you like, and print out your own book list.
